

Hi Everyone,

Two exciting things to share this week.

1. Congratulations to our newest WIC bride! Holly Snowball Morales, married recently on a sunny beach in Florida. Attached is a picture of the new couple. Please note that Holly's new last name is Snowball Morales.
2. WIC Grant Amendments—We are pleased to announce that the WIC grants will be increased for the following reasons:
  - a. 5% grant increase due to one-time-only federal funding increase
  - b. Travel funds for the Spring WIC Coordinators' training
  - c. \$40,000 allocation for LAs that have sustained increased caseload: CITC, Norton Sound, and YKHC
  - d. Operational Adjustment grant to SEARHC to purchase a kiosk to deliver nutrition education in their lobby
